This online study unit is a core unit of the Graduate Certificate in Mental Health (Perinatal and Infant) but may also be undertaken as a standalone unit for professional development.

Students will observe a young child under 3 years of age in the home or childcare setting, for six months, and participate in weekly supervision throughout the semester, by telephone link-up.

Complete this unit as a standalone unit of study for continuing professional development CPD
OR
Complete this unit as part of the accredited degree program: Graduate Certificate in Mental Health (Perinatal and Infant)
